

August 28, 2019

The Page County Board of Supervisors met in session on this 28th day of August 2019, with Chuck Morris, and Jon Herzberg present; Alan Armstrong called in and was placed on speaker phone. On a motion by Herzberg, seconded by Morris, the board moved to approve the agenda. Present from the public was John VanNostrand.

Morris discussed that with the Secondary Roads Administration Building bids coming in higher than anticipated, the county needs to look at other options to reach the County's goal of relocating public health to a bigger space. The county was informed of a property this weekend that was available at a reasonable price. Morris stated he talked to the seller regarding a water issue caused by a leaking window, and the seller believes the issue has been resolved. The seller, Emily Akers, contacted Morris with a concern of displacing the preschool. The board would like to discuss at the next board agenda how the board plans to work with the preschool. The property is located at 210 N 17th Street and includes an 8200 square foot building, the parking lot to the east, and the empty lot to the west. On a motion by Morris, seconded by Herzberg, the board moved to approve purchasing the property for \$92,500. Armstrong, aye, Morris, aye, Herzberg, aye. Motion carried 3-0.

With no further business, the Board adjourned at 10:55 am and will meet again Friday, August 30, 2019.
