

March 26, 2019

The Page County Board of Supervisors met in session on this 26th day of March 2019, with Alan Armstrong, Chuck Morris, and Jon Herzberg present. On a motion by Morris, seconded by Herzberg, the board moved to approve the agenda. Present from the public was John VanNostrand and Chris Adcock.

King gave a roads update. The blades are out, and rock is being hauled. King is finding rock in Malvern and Corning. The blade person will be on 190th and K Avenue today. The blade out of Coin is working northwest towards 245th and should be ready for rock today. Ashley Behrhorst called requesting rock on 245th Street. She stated the mail carrier could not deliver mail. A crew is working on flood damage. There is also work on A Avenue north of Shenandoah and 110th east of the Hall Bridge. Currently, only class A and B roads are eligible under the federal disaster declaration. There is currently work in progress that would allow class C roads to be included in the declaration. These repairs will qualify for 75% grant funds. Morris wanted to know where the county is at with talking to individuals to haul rock. Morris stated the need for rock is not going away. Morris wanted to know if there has been an ad placed for a safety coordinator. King stated he has not. Morris also wanted to know if the plans were ready for a building. King stated he has not received any plans yet. Morris stated he would like to establish time frame established for safety coordinator to be on board by May 15, 2019. The board will move forward with placing an ad for a safety coordinator. Morris would like King to make sure plans are in place so the building can be bid very soon. He stated that public health is waiting for a new location and has been very gracious to work with the board; the board needs to ensure that they are placed in their new location as soon as possible.

Armstrong stated he attended the Farm Bureau Meeting and stated that it went well.

Chris Adcock gave the board a public health update. She stated that public health has been over in Shenandoah to assist with the flooding victims. She stated there are two facilities, the supply area and the shelter area. Volunteers are continually needed.

On a motion by Morris, seconded by Herzberg, the board moved to approve the minutes of March 26, 2019.

With no further business, the Board adjourned at 11:00 am and will meet again Tuesday, April 2, 2019.
